Mennonite Mission Network: Mennonite Mission Network requests prayer for the members of Mennonite churches in Venezuela, as they extend the love of Jesus to their neighbors during a time when more than 90% of the population is living in poverty, and more than 75% are experiencing extreme poverty. Pray for the churches as they address both food insecurity and spiritual hunger.

A large rectangular area with horizontal lines for writing prayer requests.

Continue to pray for those in our congregation who are experiencing illness and ongoing medical treatment.

After two years of surgeries, rehabs, radiation, chemo, physical therapy, and immunotherapy, yesterday we received the wonderful news that I am cancer free. We want to thank all of our church family for your prayers, encouraging words, texts, visits and of course food! It has been a long haul but God has been good to us. Thank you. —*Sue and John Gwilliam*

Happy Father's Day: Today we honor fathers and father figures who are strong and gentle, brave and kind, courageous and creative, loving and loyal.

Directory Updates: Contact the secretary if you have not yet picked up your update packet. A delivery service is available to those who need it. And if your directory binder is wearing out, ask for a new one. (\$5 donation appreciated, but not mandatory.)
